TERMS OF SALE

1. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail Bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to KATEN SALES can attest to this statement.
2. Prices given following lots are estimates of today's market, and only intended as a guide. You may bid higher or lower as you wish.
3. Auction Sales are not approval sales. By submitting your bids you agree to the Terms of Sales herewith set forth. No lot may be returned without written permission, and request must be made within three days after receipt of books.
4. No commission, service charge or other extras will be made for executing your bids. Only the actual cost of mailing and insurance will be made. On books we charge \$1.00 handling fee for packing and processing up to 10 lots; each additional lot 10¢. (Other cataloguers charge 50¢ per lot)
5. Bidders unknown to us must furnish references two weeks before the sale date or send a deposit equal to 25% of their bids. Bids will not be executed unless this is followed.
6. Sales are strictly for cash in U. S. Funds (unless other arrangements have been made). Payment must be made immediately upon receipt of notification or delivery.
7. All books are as described. The actual title in a foreign language is given - the cataloguer interprets the title and is in parenthesis.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors or mistakes on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors. We instituted the duplicate bid sheet 20 years ago for your protection.
9. Please allow at least three weeks for delivery of lots as this sale of such great magnitude requires much time for careful checking and packing.
10. A list of PRICES REALIZED will be published about two weeks after the sale. By Marking your bid sheet or ordering before the sale date, the price is \$2.00. This catalogue and price list could prove to be a worthwhile bibliography of numismatic books at today's market.
11. Lots delivered in the State of Maryland are subject to 4% Sales Tax, and will be added to the invoice.

FRANK AND LAURESE KATEN present for your approval
their 40th Public and Mail Auction Sale catalogue. While
not as large as their usual sales, it is packed with many
numismatic books seldom available in commercial trade.

The principle consignment in this 40th sale is the library
formed by John F. Jones of Jamestown, N.Y. Mr. Jones be-
came a member of the American Numismatic Association in
December 1908. Under 'NUMISMATICA MEMORABILIA' on page 48
you will see a reproduction of some members of that period
including J. H. Geis who joined the same month. Some of
the type used was also used in the printing of the early
'Numismatists' and the form was actually run on the orig-
inal press by the son of the founder, D. R. Heath. Your
comments on the continuation of numismatic happenings
worthy of remembrance would be appreciated.

For the benefit of our 'out of town' and foreign custom-
ers we would like to mention that we moved our retail
studio to 13311 New Hampshire Avenue, Silver Spring, Mary-
land, 20904 in the new Suburban Trust Bank Building. The
telephone number remains the same, 301-384-9444. As many
of our customers have visited us in the past at our old
location, we should like to extend an especial invitation
when next in the Washington, D.C. area to visit us. You
will find a new concept in the quite elegance of furnish-
ings and equipment, but more importantly, the old concept
of friendly collector-dealer relationship.

We have retained our former quarters for the express pur-
pose of conducting our Mail Order and Auction business.
Please note that if you are examining lots in this sale
you will have to come to 14717 New Hampshire Avenue, only
about a mile from our present retail sales studio. Hours
and inspection days are given on the inside front cover.

As many of our coin customers will be receiving an auction
catalogue for the first time we would suggest that they
join the National Organization, the American Numismatic
Association. In so doing they would be extending their
numismatic pleasure a hundred fold. Please ask us for an
